- The Price initially started at 4d per volume, and increased to 4 ½ d circa 712 (January 1940).
- 734 & 735 were advertised but not published as SOL (like many other AP papers) was hit by the WW2 paper shortage; though a post WW2 series of the SOL ran for some years (1946-1963).
- Most of the Schoolgirl links to the SOL (i.e. which numbers feature in the SOL) are speculative, based on the year of the source issues and likely series
